Steps

Activity-A : Enable the Copyright label information “SkillAssure Pvt. Ltd” in the footer

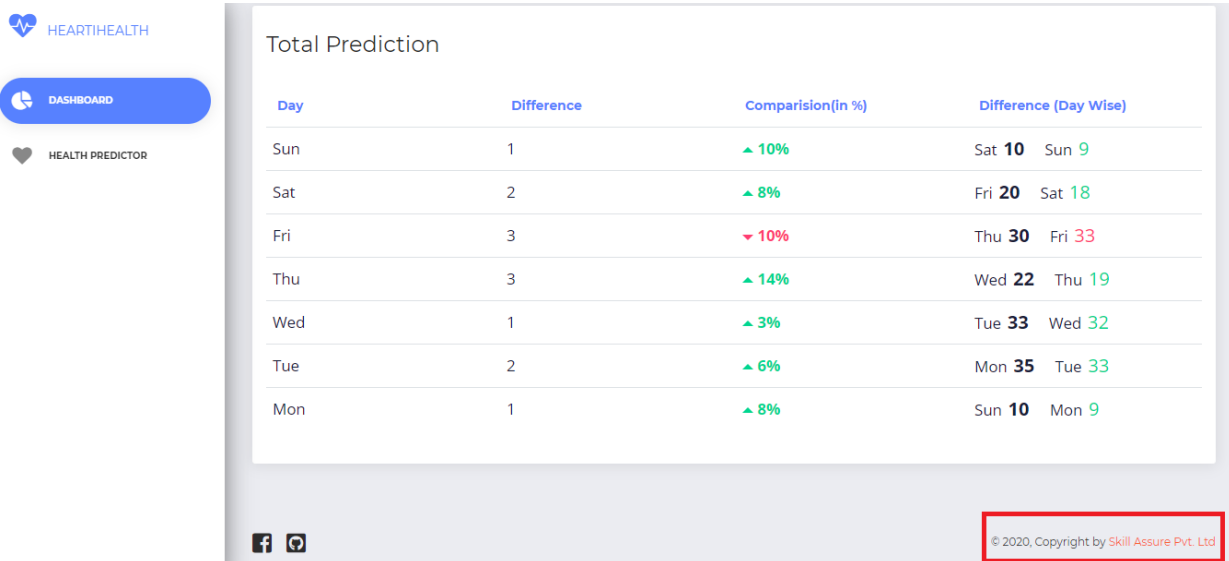

Step-A.1: Navigate to “footer.component.html” which is present in the following location:
src > app> components> footer> footer.component.html

Step-A.2: Include the following code between the <div> tag having class copyright in the footer.component.html file.

Step-A.3: Save the file by pressing **Ctrl+S**, and open the Output window in browser to find the copyright information reflecting in the footer area.

Activity-B : Add the icons of social presence in the footer – Twitter, LinkedIn . Upon clicking the icons, it should open the respective links in a new tab.

Step-B.1: Note the classes to be included for twitter and linkedin icons, which is added in the comments.

The screenshot shows a code editor with the file 'footer.component.html' open. The code contains HTML for a footer with social media links. A red box highlights the following comment and code:

```

<!-- TODO: ADD the links for Social Media -->
<!-- Classes Required: "fab fa-twitter-square fa-2x", "fab fa-linkedin fa-2x" -->

```

Step-B.2: Copy the tag line for facebook link (Line 9) and paste it twice in the next line or write the code marked inside. Replace the class with the classes provided in the comments as shown below.

```

15 <a href="#">
16 | <i class="fab fa-github-square fa-2x"></i>
17 </a>
18 </li>
19 <!-- TODO: ADD the links for Social Media -->
